

ENVIRONMENTAL & SUSTANABILITY POLICY

Updated 01 December 2025

Overview

Stoke Lane Stables is committed to reducing our environmental impact and promoting sustainable practices across all aspects of our operations. We recognise the importance of protecting the environment for future generations and ensuring the health and well-being of our horses, associates, and clients.

Our Commitment

We are dedicated to implementing sustainable practices by:

- Minimizing waste and promoting recycling wherever possible.
- Reducing energy and water consumption.
- Supporting biodiversity and responsible land management.
- Sourcing sustainable feed, bedding, and equipment.
- Educating associates, clients, and the community about environmental sustainability.

Key Areas of Focus

1. Waste Management

- Reduce waste through responsible purchasing and reusing materials where feasible.
- Implement recycling programs for paper, plastics, and metals.
- Ensure responsible disposal of manure and organic waste, exploring composting or partnerships with local farms.

2. Energy and Water Conservation

- Use energy-efficient lighting and equipment in stables and office spaces.
- Encourage responsible water usage, including rainwater harvesting where possible.
- Regularly inspect and maintain water systems to prevent leaks and wastage.

3. Sustainable Sourcing

- Purchase locally sourced feed and bedding to reduce carbon footprint.
- Choose environmentally friendly cleaning products and supplies.
- Support suppliers with strong sustainability commitments.

4. Land Management & Biodiversity

- Maintain healthy pastures with responsible grazing rotation to prevent overuse.
- Plant and maintain trees, hedgerows, and wildflower areas to encourage biodiversity.
- Avoid the use of harmful pesticides and chemicals.

5. Transportation & Carbon Reduction

- Encourage shared transport and carpooling for associates and clients.
- Maintain horse transport vehicles to improve fuel efficiency and reduce emissions.
- Where possible, use digital communication to minimise paper usage.

6. Education & Community Engagement

- Provide sustainability training for associates to promote best practices.
- Provide free manure for local residents to pick up.
- Engage clients and visitors in eco-friendly initiatives, such as tree planting and conservation projects.
- Support local environmental charities and sustainability programs.

Monitoring & Continuous Improvement

We will regularly review our environmental practices to identify areas for improvement. We will set achievable targets to enhance sustainability and remain committed to ongoing learning and adaptation to new environmental challenges.

Conclusion

By integrating sustainability into our daily operations, Stoke Lane Stables aims to be a responsible and environmentally conscious equestrian facility. We encourage our associates, clients, and wider community to support these initiatives and work together towards a greener future.
